# Why Online course

Over the past few years, there has been a paradigm shift in education system owing to huge revolution in technology. The technology has made it easier and equally effective to receive quality learning sitting comfortably in our homes. Education is no more limited by geographical boundaries.

With a vision to provide learning without barriers, Educrat IAS is pleased to announce its Online Course - taking quality education to your doors. Our Online platform provides comprehensive preparation for all the three stages of UPSC CSE - Prelims, Mains and Interview. The Online course is well structured and interactive to make it at par with the Offline course.
