# WHO ARE WE ?

EDUCRAT IAS ACADEMY is a Kolkata based coaching centre for preparation of IAS/IPS & WBCS Examination. We provide extensive and holistic preparation to a small batch of sincere & dedicated aspirants who aspire & dream to become a part of the coveted Civil Services. **The three mantras** we follow in our dynamic & unique preparatory process are guidance as per the demand of the syllabus, practice of past year questions and referring to specific & limited resources which are best.

Our smart study techniques focus on multiple revision of the same resource, inter-linking of various concepts, discussion of contemporary issues through fortnightly newspaper reading classes, weekly and monthly mock tests. Personalised mentorship & guidance by Civil Service Toppers themselves as per the changing trends & nature of the exam pattern makes us different from the rest of the IAS coaching institutes in Kolkata.

We all are aware of the fact that UPSC revises the civil services examination pattern frequently. Keeping this in view, the Institute re-structures its courses and modifies its pedagogy accordingly, thereby, providing the most comprehensive and relevant guidance to the aspirants. The Academy has drawn in the most eminent faculty members from across India, which is why, quality teaching, individual attention and all-inclusive education has become the hallmark of the institute.

# CIVIL SERVICE EXAMINATION

The Civil Service Examination (CSE) conducted by the Union Public Service Commission is the most decorated and undoubtedly one of the toughest examinations of the country. Aspirants, who clear all the three stages off the examination, viz. prelims, mains and interview can join the Civil Services as IAS/IPS/IFoS/IFS/IRS (and 20 other services) Officers.

## PRELIMS

Preliminary Examination is for the selection of candidates for Main Examination. It is objective type, pen & paper based examination. This examination is meant to serve as a screening test only; the marks obtained in the Prelims will not be counted for determining the final order of merit.

## MAINS

The aspirants who qualify the Preliminary Examination would be eligible to apply for the Main examination. This examination is subjective in nature. The main Examination is intended to assess the overall intellectual traits and depth of understanding of candidates rather than merely the range of their information and memory.

## PERSONALITY TEST

The candidate will be interviewed by a competent and unbiased Board. The objective of the interview is to assess the personal suitability of the candidate for a career in public service. It is an assessment of not only his intellectual qualities but also social traits and his interest in current affairs. Some of the qualities to be judged are mental alertness, balance of judgement, ability for social cohesion and leadership, intellectual and moral integrity.
