# OFFLINE CLASS NOTES

South Calcutta Law College.

Sovereign? (NO) If the govt is not sovereign in her own country?

## Parliamentary System

Sovereign → Nature of Govt.

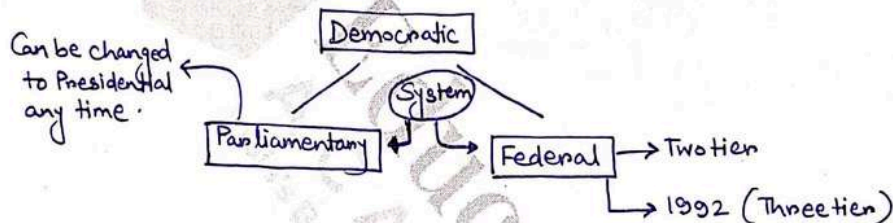

→ System of Govt.

Why we did not write "Parliamentary" in Preamble?

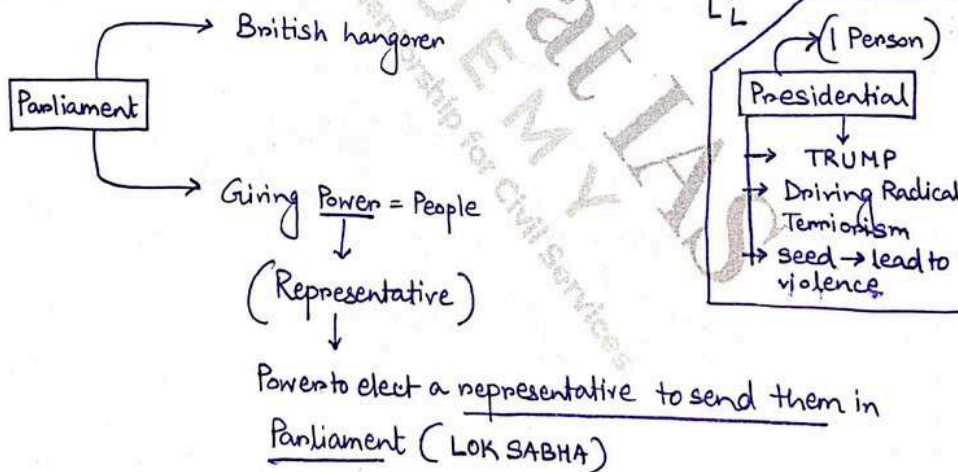

→ Nature of Govt.

Democratic

(\*) In Preamble nature of govt is mentioned, not system of Govt. Foundational values of system.

Why?

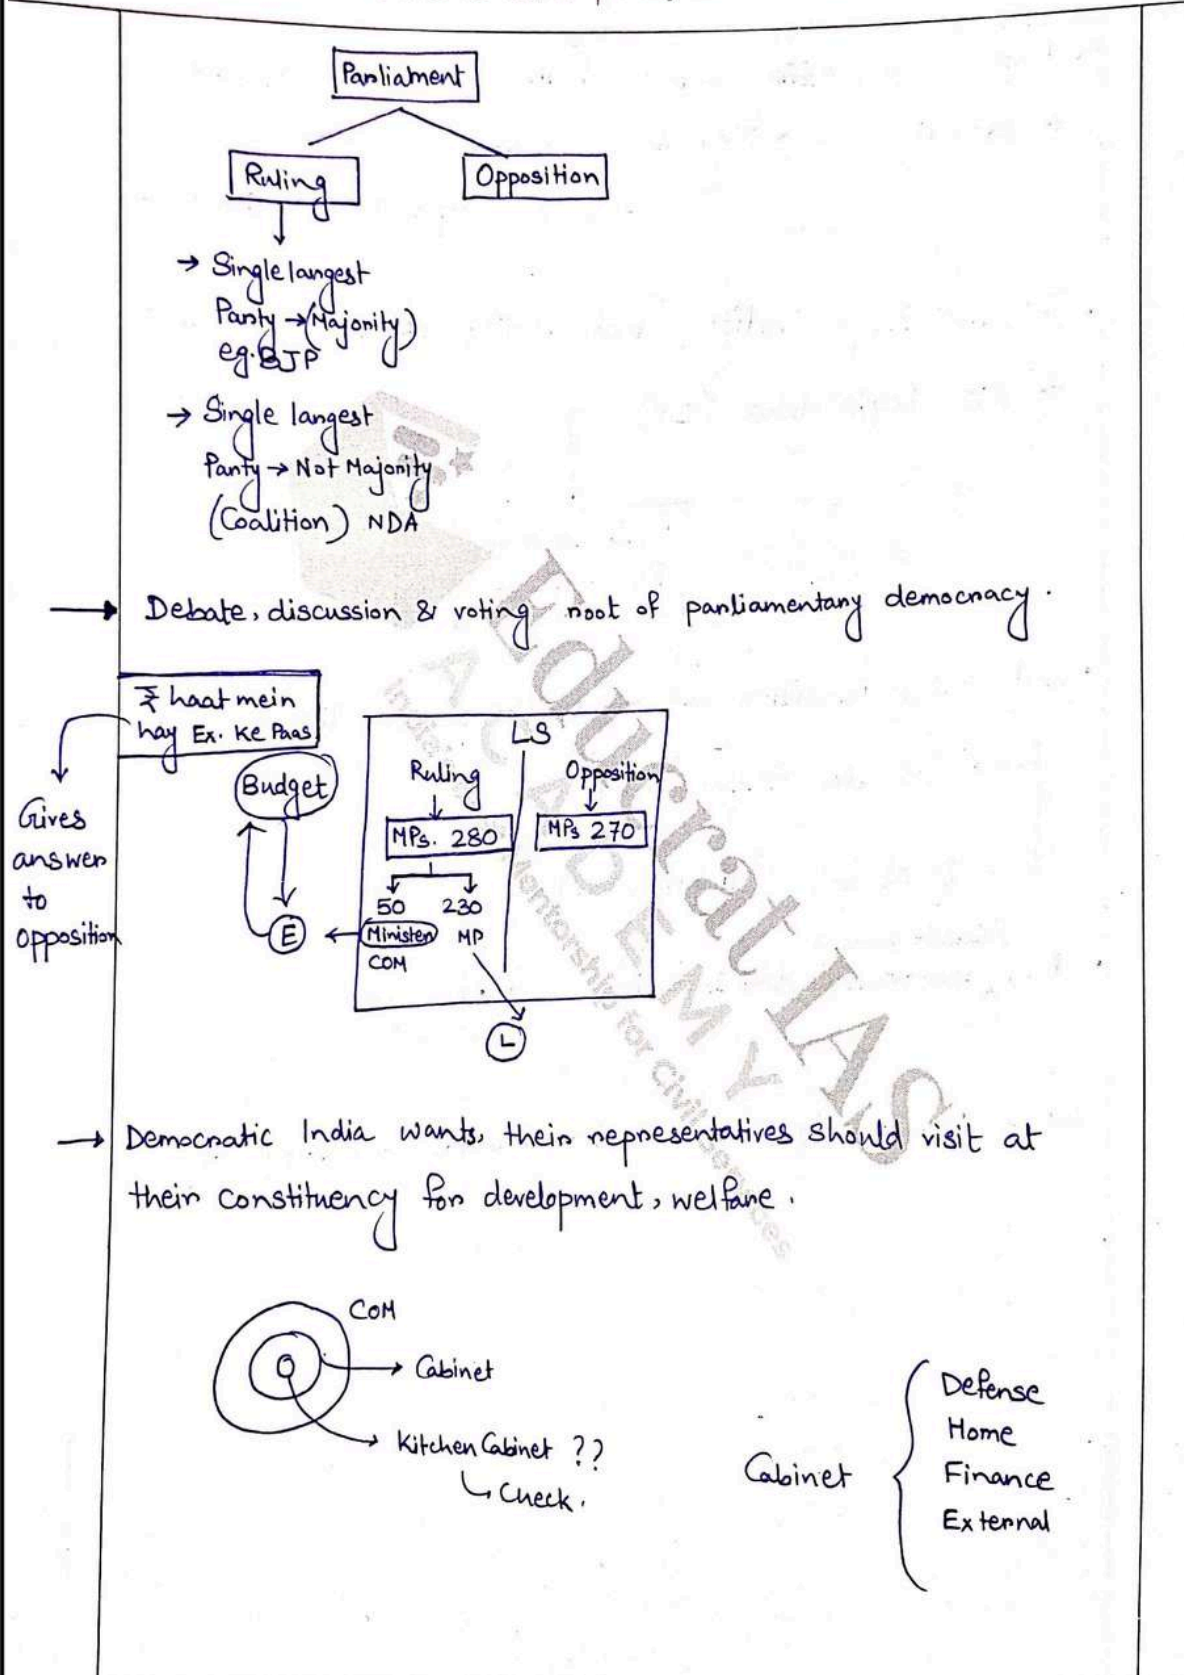

552 → Constituency ≠ District

- India has roughly 6,60,000 villages and 660 districts.
- However, we see 552 seats in Parliament
